## Class Christmas Parties

On **Friday, December 17** each classroom will be having a party.

Kindergarten: Students are asked to bring a wrapped, gender neutral gift for a class gift exchange. The gifts should cost between \$1-\$5, and should be wrapped in plain green or red wrapping paper for uniformity. These gifts should be brought to school by Wednesday, December 15.

Grades 1-2: Students are asked to bring a wrapped, gender-neutral gift, worth \$10, by Wednesday, Dec. 15. There will be a fun gift exchange game during their party. Mrs. Gardner would like food and drink to be provided by families in her class: potato chips, juice, apple slices, berries, broccoli, ranch, plates, forks, carrots.

Grades 3-5: Students will pick the name of a classmate for the secret Santa gift exchange. They are asked to buy a gift worth \$15 to give to their person, wrap it, and bring it to school by Wednesday, December 15.

Grades 6-8: Students have drawn names and will buy a gift valued at \$20 for their person. Please deliver the wrapped gift to the classroom by Wednesday, December 15.
