

NC Media Field Trip

Did you know that we have our very own professional movie (and podcast) studio right here in Nevada County? On Tuesday, March 14, students in grades 4-6 will have the opportunity to tour the NC Media facility, learn about video production, and use the studio and equipment to record a Public Service Announcement, which will air on NCTV. Check out the Nevada County Media website to see all the things they do there.

Gym Cleanup

The collapse of the ERCS gym is a huge loss to the school and to the community. Many local groups have rented it as a warm dry space to gather, practice sports, and hold church services. We will rebuild, but there are a lot of steps necessary along the way.

While we wait, we are looking for solutions on where the students can play on rainy days. If you have any ideas, please let us know!

Fundraisers

Now, more than ever, we are needing to raise money for the school – the loss of the gym means the loss of several sources of revenue.

We will be having a Panda Express Fundraiser once a month for the next 3 months.

goodshop

Amazon has discontinued the AmazonSmile donation program. As an alternative, goodshop.com, is a search engine that gives money back to your chosen charity when you do your regular online shopping using goodshop or goodsearch as your search engine.

Go to goodshop.com and register, then you can choose a charity to support. You can choose any charity, but we hope you will choose Echo Ridge Christian School.

Then you can do your shopping at any of the stores that partner with them, and you will get the best deals and coupons, while also supporting ERCS.

Get the latest coupons and offers at thousands of top retailers like Amazon, Macy's, Target and Best Buy, and goodshop will donate at no extra cost.
